

Our EB-5 Program Benefits

The Big Elk Resort location qualifies as a targeted employment area reducing the investment required for eligibility for a Green Card to \$500,000.

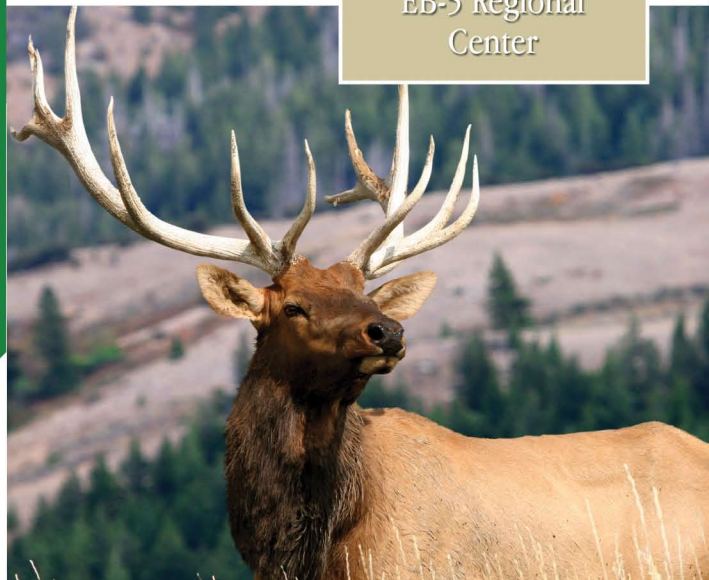

- 100% ownership deed selected Big Elk Lodge condominium and parking space. Projected 4% annual return from Big Elk Resorts Operations
- Hassle free property investment with returns deposited directly to owners bank accounts in China or the U.S.
- Upon completion of construction, the condominium can be sold to regain your investment or held as an investment property for annual cash flow and capital gain.
- As a property owner at Big Elk Resort, you, your family and friends get to stay up to 4 weeks annually at no cost.
- The condominium and water park will be professionally managed and operated as a Resort Hotel by American Resort Management / Big Elk Resort LLC.
- Expenses paid by Management Company to include taxes, insurance and condominium association fees.

The EB-5 Immigrant Investor Program is an opportunity for qualified foreign nationals to obtain the U.S. GreenCard.
